### Introduction

Bio-Rad's Informatics Division specializes in Raman Spectral Databases & Software as well as solutions for other techniques (IR, NMR, MS, UV-Vis).

**KnowItAll® Software:** Bio-Rad's award-winning spectroscopy software to identify, analyze, and manage Raman spectral data. It supports multiple instrument vendor file formats and techniques. So whether you use Raman alone or with additional techniques, KnowItAll is the ideal vendor-neutral solution for fast, accurate analysis.

**KnowItAll Raman Spectral Library:** The KnowItAll Raman Spectral Library offers access to the world's largest collection of high-quality Raman spectra. Library subscriptions currently include for FREE the KnowItAll ID Expert software for quick spectral identification.
