

## Exhibitor Information

<b>Name of Exhibitor</b>	Renishaw plc	<b>President</b>	Dr. Ken Williams
<b>Address</b>	Spectroscopy Products Division, New Mills, Wotton-under-Edge, Gloucestershire, GL12 8JR	<b>Country</b>	United Kingdom
<b>Tel</b>	+44 (0)1453 524524	<b>Fax</b>	+44 (0)1453 523901
<b>Email</b>	raman@renishaw.com	<b>Website</b>	www.renishaw.com/raman
<b>Contents of Exhibit</b>	High performance optical spectroscopy products		

### Introduction

Renishaw is a global company with core skills in measurement, motion control, spectroscopy and precision machining.

Offering high performance optical spectroscopy products for over 20 years, Renishaw's Spectroscopy Division is passionate about manufacturing the very best Raman products. With a foundation built on sound engineering, the products offer the highest levels of flexibility and performance, and are relied upon, worldwide, to provide superior information across a diverse range of fields and applications.

Renishaw aims to be a long-term partner, offering quality products that meet customers' needs, both today and into the future, backed up by expert technical and commercial support.
